

Ladies' Captain Report for AGM – 22nd November 2025

Introduction

It gives me great pleasure to present this year's report on behalf of the Ladies' Section at Hook Bowling Club. It has been another enjoyable and rewarding season, with plenty of laughter, camaraderie, and some excellent bowling along the way.

Leagues and Competitions

Our ladies have continued to make excellent progress in the Tuesday League under the guidance of **Linnie** and **Claire**, who led the team with great enthusiasm and organisation. I'm delighted to report that we moved up one place this year – a fantastic achievement that reflects the hard work and commitment of everyone involved. Beyond the results, the real success has been the team spirit and the fun we've shared throughout the season.

Friendly Matches

A huge thank-you must go to **Christine Poulter**, who once again did a sterling job in arranging our friendly fixtures. These matches continue to be a highlight of the season, giving all of us a chance to enjoy relaxed but competitive games while strengthening our relationships with neighbouring clubs. Our fixture against Odiham was particularly memorable – full of laughter, great sportsmanship, and a satisfying win on home turf!

County and District Leagues

Participation in the **Hampshire and North Hants Leagues** proved more challenging this year, primarily due to the limited flexibility allowed for fixture changes. Unfortunately, this rigidity led to a slightly smaller number of entrants from our ladies compared with previous seasons. We plan to review our approach for next year and will continue to encourage more members to take part, as these competitions provide valuable experience and excellent opportunities to develop our game.

Team Effort and Acknowledgements

Although I hold the title of Ladies' Captain, I certainly haven't been steering the ship alone. My heartfelt thanks go to **Linnie**, **Claire**, and **Christine** for all their hard work, commitment, and support throughout the season. Their energy and willingness to step up have been invaluable, and I truly couldn't do it without them. Special mention must go to **Linnie**, who has also taken the initiative to set up a **Ladies' Short Mat League** on Tuesday evenings. This new addition has already proved a great success, offering fun, competitive play during the short mat season and bringing even more of our members together socially.

Looking Ahead

As we move into 2026, I am happy to continue in my role as Ladies' Captain. I am also delighted to confirm that **Linnie** will now be officially recognised as **Vice Captain** for the 2025–26 season. Her enthusiasm and organisational skills make her the perfect fit for the role.

Final Thoughts

I feel very proud of the wonderful group of ladies we have at Hook Bowling Club. Wherever we go, we receive compliments on our friendliness, sportsmanship, and infectious enthusiasm. While we all enjoy a bit of healthy competition, our focus remains firmly on enjoying the game and each other's company. Here's to another great year ahead – full of fun, friendship, and fantastic bowling.

Bring on 2026!
