## Editor foreword

Vicky Hodges

This week's newsletter is a moment to pause and reflect on the people who make our club what it is. While we share the usual updates and notices, we also take time to remember a fellow member and acknowledge the sense of loss felt across our community.

Bowls clubs are about more than the game; they are built on friendship, shared time, and quiet support for one another.

Thank you for continuing to look out for one another and for the kindness that defines our club.

## Obituary – Peter Holliday

Dave Clark

It is with great sadness that we report the passing of Peter Holliday, who died on Tuesday following a long illness.

Peter joined Hook Bowling Club from Fleet United in February 2025. He played outdoors last summer in our league teams and more recently had been enjoying short mat bowls.

Our thoughts and sincere condolences are with Peter's family and friends at this sad time.

## Urgent – Volunteers Needed for Key Rota

Chris Vickers

We **urgently need more volunteers** to help with key holder duties. Despite previous requests, **only three members have come forward**, and this is placing increasing pressure on a very small group.

To remove barriers to volunteering, the rota is being **changed immediately** to offer greater flexibility:

- **Tuesday–Thursday**
- **Friday–Monday**

You do **not** need to be available all week. Midweek-only or weekend-only availability is welcome, and training will be provided.

Without additional volunteers, the burden on current key holders becomes unsustainable and **risks limiting access to the club**.

If you can help, please contact **Chris Vickers by the end of January** at [vickerschris@hotmail.com](mailto:vickerschris@hotmail.com)

Please state whether you can cover **all duties, midweek only, or weekends only**.

The key holder role is **essential** to keeping the club open. A small commitment from more members will make a significant difference. The committee extends its sincere thanks to those currently covering these duties - but we now need others to step forward.
